Dear Ms. Gonzalez:

I refer to your letter of April 6, 1978 concerning [redacted] interest in meeting with his two sons, Christian and Michael.

I am sure that by now Congressman Burton has received Ambassador Burke's reply to his letter concerning [redacted] desire to meet with his sons.

I have requested the People's Temple representatives in Georgetown to inform both Michael and Christian to write to their father so that they can discuss the possibility of a visit between them. Within the next two months either myself or another Consular Officer will be visiting the People's Temple Agricultural Community and will contact both boys to ascertain whether they have contacted their father. You may be assured your office will be informed of the results of the visit.

I trust that the above information is helpful to you.

Sincerely,

Richard A. Mc Coy
American Consul
